RE: 4th Grade Flag Education Program – Educator Evaluation Report

The American Legion Department of Indiana is seeking an evaluation of the Flag Education Program from all elementary schools participating this year. Your school is asked to evaluate this program to allow us to meet your classroom needs during the utilization of the Flag Education test. Please take a few minutes to complete this evaluation, assessing your opinion on the program's strengths, weaknesses and any improvements needed for future Flag Education tests.

The information that you are providing this year will be used in the future planning and administration of our Flag Education Program. Please return this evaluation report in the enclosed self-addressed envelope at your earliest convenience. Or, you may submit your evaluation report online at www.indianalegion.org, by selecting "PROGRAMS" and then "Flag Education". Either way, your cooperation is greatly appreciated.

Finally, I wish to say thank you for your dedicated service to the youth of our nation.

Sincerely,

William Henry
Department Adjutant
