“If this program changes one life, keeps one at-risk youth off the streets and out of a body bag if it redirects one Hoosier youth life from negative to positive, we believe it’s worth it,”

Indiana Youth Cadet Law Enforcement Academy Chairman Mark Gullion.

The 2020 IYCLEA class will be held on the campus of Anderson University (1100 E 5th St, Anderson, IN) July 19-25, 2020

TO BE THE BEST, YOU HAVE TO LEARN FROM THE BEST
For many years the Indiana State Police has offered safety programs and other opportunities to interact with Hoosier youth to provide a positive influence. These programs are operated by the Indiana Troopers Youth Services.

The Indiana State Police have allowed their troopers and staff members to volunteer and participate in the camp program as camp directors, counselors and staff.

The camps today are held at college and university campuses across the state. For many Hoosier youth, this may be their first opportunity for a higher education experience and to get to know other young people from around the state. At a time when the State of Indiana is striving to raise the level of education for its citizens, this is a side benefit of these camps not to be taken lightly, as many engage in what may be described as an introduction to a mini law enforcement academy experience.

ABOUT the IYCLEA
Indiana is the 21st American Legion Department to roll out a Youth Cadet Law Enforcement Program.

The Indiana State Police and Indiana Troopers Youth Services are partnering with The American Legion for this camp! The American Legion believes that our youth have a strong sense of patriotism and a high regard for Law and Order. The objective of IYCLEA Camp is to provide a first-hand look at the role of a police officer in today’s society.

IYCLEA is a week long camp open to any child going into high school or that has graduated but not yet attended college. The Indiana IYCLEA camp is closely modeled as a mini, week long Indiana State Police Academy.
